Remarks

One or more photo(s) has been virtually staged. Elegance, luxury and style combine with upgrades, refined touches and breathtaking beach and Gulf of Mexico views to create this fully updated and beautifully appointed residence in Islands West on Longboat Key. Dramatic, gorgeous tile floors flow throughout the seamlessly connecting floor plan to set the refined ambiance, as sliders and floor-up windows invite an abundance of natural light and the tropical blues and greens of the vistas below inside to complement every living space. Spectacular in both design and décor, the kitchen is an entertainer's and chef's delight, with new, top-of-the-line Italian appliances including an induction range, custom 4" granite/quartz island, and an adjacent eat-in area overlooking the beach. Accommodations are both spacious and sumptuous, as both bathrooms feature custom vanities and auto-light settings for ultimate comfort. Savor soft Gulf breezes on your private beachside terrace, set above the trees and positioned to take in the endless horizon beyond the waves. Residents of Islands West have access to a world of resort-style amenities, including a pool, clubhouse, exercise facilities, tennis, and private beach access. Located in South Longboat Key area with easy, safe, entry & exit
